MUSIC TRYST
at Newbattle Abbey
17-19 September 2010

Newbattle Abbey is delighted to welcome Battlefield Band to our historic surroundings for a weekend of superb traditional music.

Newbattle, just seven miles south of Edinburgh, has a rich tradition of celebrating Scottish culture in its heritage site. Writers, poets and historians have worked and studied in our beautiful building. More details of Newbattle Abbey and its 125 acre site of ancient parklands and gardens are available at www.newbattleabbeycollege.ac.uk

We are proud to host this celebration of traditional music in our unique surroundings. We hope that people of all ages will enjoy a weekend of traditional music, workshops and informal sessions, led by the internationally acclaimed Battlefield Band.
